

The only Bible fit for a King

THE HOLY BIBLE IN ITS ORIGINAL ORDER
WHY THIS BIBLE IS UNIQUE ABOVE ALL OTHER BIBLES...

The Holy Bible In Its Original Order is an extraordinary Bible—unique in two ways. **First, it is the only complete Bible ever published—with both Old and New Testaments—that accurately follows the original canonical or manuscript order** as recognized by most scholars. In addition, once the original order of the 49 biblical books has been restored, the Seven Divisions of the Bible are also re-established. *The Old Testament* contains: 1) The Law, 2) The Prophets, and 3) The Writings. *The New Testament* contains: 4) The Gospels and Acts, 5) The General Epistles, 6) The Epistles of Paul, and 7) The Book of Revelation. With this restoration to the first-century 'manuscript' order, a purposeful design, symmetry and story flow order of the Bible become more readily apparent.

It is a little known historical fact that the original manuscript order of both the Old and New Testament books was altered by early church fathers. *The Holy Bible In Its Original Order* includes commentaries that trace precisely how the Bible erroneously came to be in its present 66-book format—revealing how and why its books were mysteriously repositioned from their original order by fourth-century "editors."

Second, this version is a new translation—an accurate version—that reflects the true meaning of the original Hebrew and Greek with fidelity and accuracy, showing the unity of Scripture between the Old and New Testaments. Today, in the face of rampant religious confusion, those who read and study the English Bible deserve a quality translation that can be trusted. Reviewer Lee Sparks in REV magazine (April 2009) notes this Bible's "highly literal translation" and "decidedly conservative theology which represents the beliefs of a great number of Christians"

The new Original Order Version uses modern English, but retains the original grace, accuracy and grandeur of the King James Version, and eliminates archaic terms from the Middle Ages such as *thee, thou, ghost, hath and shalt.*

Included are vital **Commentaries** providing accurate accounts of the history, canonization and preservation of the books of the Bible: Who wrote them? When were they written? When were they canonized and by whom? Other Commentaries and Appendices answer critical questions such as: When was Jesus born? How did Jesus Christ fulfill the Law and the Prophets? When was Jesus crucified? How long was He in the tomb? When was He resurrected? What does it mean to be born again? What are works of law? What are the true teachings of the early apostolic New Testament Church that Jesus founded? Also, **biblical and historical chronologies** show an accurate timeline from the creation of Adam and Eve to the present. There are **detailed footnotes and marginal references** explaining hard-to-understand passages of Scripture.
